RE: Coast-to-Coast AM Broadcast of 11/11/10
DT: 11/13/10**

Dear George,

Thank you for another great broadcast on 11/11 and for embracing my truth campaign about time travel.

Humanity will prevail in the 21st century on the wings of the dreams that we have the imagination to dream and the truths that we have the courage to tell.

I will be saving a seat for you when I cut that red ribbon at Grand Central Teleport in New York City!

Your friend in time-space, Andy
